

### Selected Activities of TCI

Below is a snapshot of activities that consultants of TCI have engaged in in the policy and legal framework in the forestry governance sector:

- **Consultancy Assignment on Ensuring Voluntary Partnership Agreement (VPA) Compliance for Ghana on the Export of Legal Timber** Forestry Commission, Ghana
- **Consultancy services for Client Earth on the Legal and Institutional Architecture on Natural Resources and Forest Community Laws in Ghana.** ClientEarth, UK
- **Workshop on the overview of the legislation and the regulatory provisions governing the forest and wildlife sector and the possible role of CSOS in its revision and consolidation.**

ClientEarth in collaboration with other EU International Non-Governmental Organizations (INGOs) including Forest Peoples Program (FPP), FERN and Centre pour l'Environnement et le Développement (CED) under the Strong Seat at the Table (SSAT).

Currently TCI is in charge of the planning and facilitation of the Civil Society (CSO) Legal Working Group on Forestry for and on behalf of ClientEarth. Last year consultants who are now working for TaylorCrabbe Initiative undertook an assignment for ClientEarth on the Legislative Audit on the Consolidation of Forest Laws in Ghana.
